*Nā reira kei te mihi.*

The 2005 Māori Sports Awards provided the ideal way to end what was truly a remarkable year full of Māori accomplishments both on and off the sports field. Congratulations to the Board of Trustees and the management of Te Tohu Tākaro for pulling together another spectacular event.

In the last year Māori were amongst nominations for the Academy Awards, won the US Open golf tournament, achieved key positions in the commercial sector in New Zealand and Australia, beat the British and Irish Lions rugby team, played a big part in winning the League tri-series and the Silver Ferns defeat over the Aussies. 2005 was also the year that saw a teenager from Waiuku become a world champ on a BMX bike.

I would like to congratulate Te Tohu Tākaro o Aotearoa for its commitment to nurturing the aspirations of the younger athletes through its scholarships.

I thank Te Arikini Dame Te Atairangikaahu for her on-going patronage and inspiration. I also acknowledge all those who have believed over the last fifteen years that Māori sporting success should be recognised. This was Albie Pryor's dream.

Everything we do now must be measured for the contribution it makes to the future of our people as successful achievers, secure in our culture and operating at the forefront of our national and international life. A strong foundation has been laid for the future prosperity of Māori as a people, as a culture, as whānau and as part of the nation of Aotearoa/New Zealand.

We are a country with huge potential. Our people are a people with incredible potential. My best wishes to the Trust for another great year and another awards evening to celebrate Māori succeeding as Māori and realising our potential.

This was another very successful year for the trust in hosting the annual awards and Tamariki Sports & Cultural Day. The trust operations, with support from its stakeholders, continue to host these prestigious Māori events.

The awards were highlighted by the presence of US Open Golf Champion, Michael Campbell.

The inaugural broadcast by Māori Television has to be congratulated for a fine effort.

It gives me great pleasure to report on the activities of the Trust for the 2005 year.

**Sports Awards function 2005**

The 2005 Māori Sports Awards was held at the new Telstra Stadium in Manukau City. A great night of awards and entertainment was enjoyed by 1200 participants and the awarding of the Albie Pryor taonga to Michael Campbell, capped off a wonderful evening.

Acknowledgment must go to Dick Garratt and his team for coordinating a spectacular event.

**Tamariki Sports and Cultural day**

This event is turning into as big event for our tamariki as the sports awards is for the adults. The event in 2005 was hosted at House Park, Manukau City, with over 1,400 tamariki attending from the local and two outside Kurakaupapa. The enthusiasm from the tamariki did not falter, they were there for a good time.

**Scholarships**

This year the Trust awarded six sporting and educational scholarships to young Māori athletes. The trust acknowledges the continued support of SFRITO AUT, and MIT in providing scholarships for our Māori athletes.

**Māori Sports Hall of Fame**

Two worthy inductees were introduced into the Māori Sports Hall of Fame. Eric Rophia ONZM who has dedicated a lifetime to equine industry. Also Mervyn Church ONZM whose achievements in the sport of rodeo sports are legendary.

**Trust Board**

In 2005 Board member Doug Hauraki resigned to pursue other activities and we acknowledge the contribution Doug made. I wish to thank all the board members for their time and effort put into the governance of the Trusts activities.

**Financials**

The financials for the Trust are presented on the rear section of this report. I am pleased to report that the trust was able to cover its operational and administrative costs enabling it to undertake its designated activities. Finding additional long term funding partners for the trusts administration and activities is a strategic priority into the future.

Firstly to our sponsors and stakeholders, I extend on behalf of the Trust our grateful thanks for your continued support. To those of you who are involved for the first time, we have confidence that you will support us next year and in the future.

The past year has seen continued success with the Tamariki Sports & Cultural Day, Māori Sports Hall of Fame, Māori Sports Awards Scholarships and Māori Sports Research and Database Programme. This year has also been the most successful sports awards event highlighted by the US Open Golf Champion, Michael Campbell.

The TelstraClear Pacific Events Centre was the venue for this year's awards, hosted in Manukau City by Sir Barry Curtis and the people of South Auckland.

My congratulations go to Māori Television for their inaugural broadcast of this event, ably supported by Radio Waatea with their live radio broadcast.

Congratulations to all recipients of award categories and to the judging panel in selecting the nation's outstanding Māori athletes.

To my kaumatua, chairman, trustees, accountant, staff and volunteers, my sincere thanks for your contribution to the success and continued development of the late Albie Pryor's vision.

*"At the press conference after winning the US Open, with reporters from all over the world, I was asked, "What makes you the golfer that you are?" I thought about it for about three seconds and I said, because I am a Māori."*

*"I could have taken a path of being a telecom technician for the rest of my life, but I decided when I was 16 years old, to break the mould and to get off the comfort zone to become one of the best golfers in the world."*

*"My message to all Māori people is, if you are willing to work hard in your chosen area whether its sport or business, then I believe we have the call to succeed. I am very proud of all the other Maori athletes who have been honoured at the National Māori Sports Awards."*

*"Albie Pryor and Vic Pirihi made a huge contribution to my junior golf programme 15 years ago and without their contribution I wouldn't be here right now as US Open champion – thank you Albie and Vic."*

CONSTRUCTION

Fletcher Construction is a long time and proud sponsor of the Māori Sports Awards. We are supportive of Māori initiatives which include arts, culture and sport.

Our company has earned pride of place as the pre-eminent construction company in New Zealand and the South Pacific.

We congratulate **Shelley Kitchen** on winning the **“Senior Māori Sports Women of the Year”** award and wish her well for her success in squash both nationally and internationally.

## MIGHTY RIVER POWER

**Mighty River Power** is proud to sponsor the **Junior Māori Sportsman of the Year award** and help recognise the talent and achievements of young Māori sportsmen in 2005.

Past finalists and winners of the Mighty River Power Junior Māori Sportsman of the Year have gone on to compete successfully in the international arena. Well known names such as Adam Parore (*cricketer*), Michael Walker (*jockey*) and Stacey Jones (*league*) were all past recipients of this award.

We are proud to support the next generation of young Māori in their pursuit of sporting excellence and congratulate **Tanerau Latimer** on his success. We wish him all the best in his rugby career and we are sure he will go on to perform at the highest level.

**Mighty River Power Junior Māori Sportsman of the Year for 2005, Tanerau Latimer (Centre)**, is pictured with rugby league star Benji Marshall and Tania Simpson, a Director of Mighty River Power.

On behalf of Te Hui Ahurei ā Tūhoe organising committee we would like to extend our congratulations and appreciation to the Māori Sports Awards organising committee for hosting an inspiring and excellent event last year.

The atmosphere, the overall presentation of the awards surpassed any other event that I have attended - congratulations to both Ruihi and Dick. You are shining examples of what to do and how to organise events.

He mihi kia korua mo enei mahi tino whakahirahira. We were very proud to be Māori and Tūhoe that night.

It was an honour and a very humbling experience for the Ahurei committee to receive the Community Initiative Award along side such wonderful and talented young Māori sports men and women.

We would also like to thank SPARC for sponsoring the award.

There are many groups such as ours out in the community who volunteer their time and experience to help in iwi or Māori events. This recognition by SPARC and the Sports Award committee acknowledges that dedication, passion and commitment.

No reira ma te runga rawa koutou e manaaki, e tiaki.

scholarships

*Engā mana e ngā reo e ngā kārangaranga maha – tēnā koutou katoa*

AUT University is very pleased to be working with Te Tohu Taakaro O Aotearoa Charitable Trust on a shared vision to encourage and support Maori athletes' achievement in their university studies and sporting goals. AUT's School of Sport and Recreation consistently produces high quality graduates to support the highest levels of achievements by our athletes.

For the last 3 years, through the Maori Sports Awards, AUT has supported 6 emerging Maori athletes to grow in their sporting and academic excellence. These scholarships and the relationship with the Trust are a tangible expression of the university's commitment to become the preferred University for Maori in partnership with Maori and the wider community.

AUT University's community relations extend beyond just scholarships and include providing opportunities for our staff and students to use and develop their skills in the community. In September 2005, AUT in partnership with Vodafone established Skills Exchange ([www.skills-exchange.org.nz](http://www.skills-exchange.org.nz)) – NZ's employee volunteering site connecting the university and other subscribing employers with their local community organisations.

Relationships with community organisations such as Te Tohu Taakaro O Aotearoa Charitable Trust provide innovative and exciting ways for the university to engage with the communities in which it operates, and results in a positive experience for our students, staff and partners. By contributing to our communities not just through scholarships but through this initiative AUT is making a real difference to the community it serves.

AUT University would like to take this opportunity to acknowledge the immense work that Te Tohu Takaaro O Aotearoa Charitable Trust undertakes in promoting and supporting Maori athletes.

We congratulate our 2005 AUT University Maori Sports Awards recipients Te Iri Rangi Moses, (Waka Ama) undertaking a conjoint Bachelor of Sport & Recreation and Bachelor of Business degree and Reece Cassidy (Basketball) undertaking a Bachelor of Maori Development degree and look forward to supporting these recipients on their university journey.

**"Fostering pride and sports participation"** was one of the main objectives behind the hosting of the annual Tamariki Sports & Cultural Day.

This event co-hosted once more by Te Kura Kaupapa Māori a Rohe o Mangere at House Park Reserve, Mangere Central was an outstanding success.

Over 23 kura kaupapa and bi-lingual units consisting of more than 1400 tamariki were integrated in a day of sports, culture and fun.

The two invited kura from outside the greater Auckland rohe, Ruakaka Primary School in the North and Tawera Bi-Lingual School from Ruatoki in the Eastern Bay of Plenty, will benefit from the interaction with tamariki from the urban rohe.

Shearing and wool handling hosted by Māori World Champions was a new and welcome experience for the tamariki.

Health and safety providers set up exhibitions and demonstrations of First Aid, fire and road safety, healthy lifestyles and accident prevention programmes.
