## Mayor of Manukau

Kia Ora,

It is a pleasure, on behalf of the people of Manukau City, to welcome all sportsmen and women and supporters attending the 2009 Maori Sports Awards.

As we have the largest Maori population of any city in New Zealand, Manukau is the natural home of the Maori Sports Awards and we are proud to host the 19th Maori Sports Awards this year.

Sport is synonymous with determination and dedication and it is great to be able to acknowledge the wonderful achievements of the athletes we will honour at this year's awards.

Manukau City Council is proud to be a sponsor and I look forward to presenting the Maori World Champions Awards at the event.

The awards also provide an opportunity for us to showcase what our city has to offer.

Manukau is one of the country's largest and most diverse cities with much to offer in sport, the arts, dining and entertainment. I hope you find some time to enjoy the hospitality Manukau City has to offer.

Congratulations to the organisers of the 2009 Maori Sports Awards. I know you have worked hard to ensure the awards are a successful and memorable occasion.

I look forward to having you as guests in our city, and wish all the sportspeople nominated for awards, all the very best.

Haere Mai and Welcome to Manukau.

Len Brown  
Mayor of Manukau

REALISING MĀORI POTENTIAL

## Leith Comer

### Chief Executive Te Puni Kōkiri

Te Puni Kōkiri's strategic outcome is Māori succeeding as Māori. We strive for Māori to enjoy a better quality of life, achieving a sustainable level of success as individuals, and in organisations and collectives.

Most importantly, we recognise the importance of Māori achieving success on their own terms, and in that, celebrating what it means to be Māori.

We are the principal advisor on Crown-Māori relationships, and give effect to this through a range of functional areas, including investing in national and local initiatives.

The annual Māori Sports Awards epitomise Māori achievement and success. Congratulations to Te Tohu Taakaro o Aotearoa Charitable Trust for your many years of commitment to celebrating Māori sports achievement. We all know that significant potential exists among Māori and nowhere is that more obvious than in the sports arena. For 19 years, you have played a crucial role in growing Māori sporting success.

Te Puni Kōkiri's role is to assist in unlocking and realising Māori potential. That is why we are proud to support Te Tohu Taakaro o Aotearoa Charitable Trust so that we can all honour Māori sporting achievements, foster young Māori talent through the provision of sport and educational scholarships, and promote and encourage Māori athletes in the pursuit of excellence in their chosen codes.

Māori success is New Zealand's success.

Leith Comer, Chief Executive

**Margaret (Meg) Matangi** MBE

9 July 1911 – 2 August 1990

*Te Atiawa, Taranaki, Ngāti Mutunga*

Margaret Te Kahurangi Matangi was born in New Plymouth the second of 12 siblings to Tioro Matangi and Hinehau (nee Karena). Margaret was educated firstly at Bell Block and Fitzroy schools before enrolling at New Plymouth Girl's High School.

Margaret was quoted "we were from a farming family, but I was schooled in town, because my parents wanted us to have every opportunity".

Her expertise as an athlete showed up early, as a third former, Margaret entered the senior athletics championships at the New Plymouth Girl's High School and won it, continuing that accomplishment for the next three years.

On leaving school Margaret wanted to engage in a career in teaching, and enrolled at Auckland Teachers Training College.

Meg (as she was now known) represented and captained Taranaki, Wellington, Auckland, Auckland University and NZ University, but it was in July 1938 her training was interrupted when she was selected to play for the first ever New Zealand basketball team (now known as netball) to compete in Australia, a further honour for Margaret was being named as captain of that inaugural NZ team.

Meg's work for the Intellectually handicapped was recognized, when she was awarded the first 'Rotary Club of Auckland Vocational Award'

In 1976 Margaret was awarded an MBE, personally presented with her decoration by Queen Elizabeth in February 1977.

# Te Whanau O Waipareira Trust

Te Whanau o Waipareira Trust, now headed by John Tamihere CEO was established in 1984 at a time of rapid urbanisation and on the back of decades of high unemployment, poor housing, and low education among urbanised Māori. We know that one in nine Māori live in urban locations, with 70 per cent of who are living away from their tribal roots. Te Whanau o Waipareira Trust was established for this reason, to meet the needs of urban Māori disconnected from their traditional support systems.

The Trust has a national profile and has refined its co-ordination of people and resources, delivers targeted services and ultimately increased its assets and businesses. It is seen as a successful organisation with an astute approach to business and to the Government sector. It is also an organisation with a growing reputation for being proactive and one that strives to ensure a sense of cultural identity and pride in urban people.

The purpose of the Tamariki Sport & Cultural Day is to provide tamariki from kura kaupapa (Māori immersion schools) and bilingual units from mainstream schools with an opportunity to take part in sport - including the revival of traditional Māori sports - and cultural activities.

The event provides a link to elite Māori sport role models and the positive contribution they are making for ngā tamariki and the wider community.
